# SPONSORS

Aloha Vegans is made up of volunteers who share plant-based meals with those in need. Started in Fall 2018 under a different name, compassionate volunteers met twice a month to serve vegan potluck plates with the houseless community in Kaka'ako and 'Iwilei areas.

Aloha Vegans support food sustainability in Hawai'i and believe that "Ai pono is mo'ono" - or to translate - 'Food that is nutritious, and sourced without slaughter, tastes better.'

Before the covid lockdowns, an estimated 2,000 fresh, healthy vegan meals had been shared with several houseless communities in Kaka'ako.

During Covid, Aloha Vegan volunteers shopped and delivered groceries to individuals and families who were nominated by friends that saw them

struggling to make ends meet. About 100 grocery bags had been given out before the government checks came out.

Aloha Vegans have been supported by grants and donations but mainly by the many volunteers who prepare meals, engage those in need and give of themselves so compassionately.

## VOLUNTEER AT THE SANCTUARY

We are 100% run by volunteers. We simply could not do this work without our family of volunteers who are dedicated to our mission. On our team, we have volunteer accountants, architects, civil engineers, environmentalists, graphic designers, videographers, etc, and, of course, animal lovers! If you have a special skill, or just love animals, we want you on our team.

**If you are interested in volunteering, scan the QR code to find out how you can help.**

# MAHALO

We'd like to give a big MAHALO to all who helped make this Gala possible.
